

# ***DUIROLIFT***

## **FORK FENDER**

### **Features**

*Coloured yellow & black for safety*

*Light Weight*

*Reduces pedestrian injury from forks*

*Easily fits over the fork ends*

**Model : DL-45**

The Fork Fender is produced from a bright colour foam and is fronted by a 'Hi-Vis' safety hazard sticker and highlights the ends of the truck's forks. Moving or stationary trucks with bare forks present a serious hazard to pedestrians.
